

a bachelor's degree offered by a United States college or university. The evaluation must indicate whether or not your degree includes lecture and/or laboratory instruction for general basic science courses required of **science majors** including **inorganic chemistry, organic chemistry, physics, biology, microbiology, and calculus or college algebra (third-year algebra)**.

The letter from the credential evaluation service must state that these courses have been successfully completed and must indicate the number of equivalent United States semester units each course represents. (**NOTE:** This list is supplied for informational purposes only and in no way implies formal recognition or approval by the Department of Health Services of the agencies listed or their advisory interpretations.)
